That Parcel 2 be subject to the following conditions which are necessitated by and attributable to the intensity of use generated by the change of zoning from M-1/sc (Light Manufacturing/special contract) to C-3/sc (Commercial/special contract) in order to protect the health, safety and welfare of adjacent property owners and the residents of this city:

*A ten-foot (10') wide landscaped buffer to include, but not limited to, evergreen trees placed at fifteen (15) feet on center shall be required along the property line where abutting residential or apartment zoning districts. This shall be in addition to the landscaping requirements of Chapter 20.65 of the El Paso Municipal Code and shall be required prior to the issuance of any building permits.*

These conditions run with the land, are a charge and servitude thereon, and bind the current property owner and any successors in title. The City may enforce these conditions by injunction, by rescission of the zoning which is made appropriate as a result of these conditions, or by any other legal or equitable remedy. The City Council of the City of El Paso may amend or

release the above conditions in its discretion without the consent of any third person who may be benefitted thereby, and without affecting the validity of this ordinance.
